

Service Provider

Chatwind's services are provided & contracted by the following companies:

- Chatwind

Age Requirements

To use Chatwind, you must be **at least** 13 years of age or, where applicable, the age of digital consent in your country. If not, you will need a parent/guardian to create an account on your behalf. If your account is found to be under the age of 13 or the digital consent in your country (where applicable), it will be terminated.

Your relationship with Chatwind

These terms help define what data we store about you. Failure to comply with these terms will result in your account being terminated.

What to expect from us

From Chatwind, you can expect high quality video and/or audio meetings through the internet.

Our brands:

- Chatwind
- SafeCall API

Improvements to our service

We are constantly working on improving our software. All bug reports and suggestions can be sent to support@chatwindapp.com. We believe in keeping your privacy safe. Chatwind is constantly working on new ways to improve security amongst the Chatwind platform. For example, we own a service that can help block out malicious IPs from online video and/or audio softwares.

What we expect from you

As we provide you with our services, we expect that you follow these terms.

Respect others

Our service allows you to interact with other users around the globe. Because of this, we kindly ask you to do the following:

- Respect other users
- Use the software appropriately

We reserve the right to terminate your account if we feel that you fail to comply with these terms.

Use on behalf of an organization

We offer our services to many businesses, schools, and even non-profits. To use our services on behalf of an organization, you must:

- Be an authorized representative of that organization, and agree to these terms on behalf of your company
- Know that your administrator can terminate your Chatwind account at time

Term Defenitions

- "you" and "your" and are defined as you, the user.
- "we", "our", "us" are defined as Chatwind.
- "users" is defined as any person that interacts with any of our sites.
